PROFESSIONAL SUMMARY

Software Engineering student and full-stack developer who built and deployed NexCV, an AI-powered CV builder, using React, TypeScript, Node.js, Express.js, MongoDB and Gemini AI. Now developing PickSmart, an Android app written in Kotlin. Also works as an IT Support Assistant, which adds hands-on troubleshooting experience and a practical view of how software is used in daily business operations.

TECHNICAL SKILLS

- **Programming Languages:** Java, Kotlin, Python, TypeScript, JavaScript, PHP, SQL
- **Web Development:** React, Node.js, Express.js, HTML, CSS, Full-Stack Development
- **Mobile Development:** Android Development, Kotlin
- **Databases:** MongoDB, MySQL, SQL Server
- **AI and Automation:** AI Integration (Gemini AI), Workflow Automation
- **Tools:** Git, GitHub, Microsoft Office
- **IT Support:** Software, Hardware and Networking Troubleshooting, Windows

PROJECTS

NexCV: AI-Powered CV Builder — Deployed | Started February 2026
Founder and Lead Developer | React, TypeScript, Node.js, Express.js, MongoDB, Gemini AI

- Took NexCV from idea to a deployed product, building both the front end and the back end of the application.
- Integrated Gemini AI to give users AI-assisted CV creation.
- Developed multiple professional CV templates with a live preview and PDF export.
- Manage the codebase and project work through a dedicated GitHub organization.

PickSmart: Trip Profitability App — In Development | Started October 2026
Developer | Kotlin, Android

- Developing an Android app for Uber and PickMe drivers in Sri Lanka.
- Building the core feature, which estimates a trip's profit or loss so drivers can decide before accepting a ride.

WORK EXPERIENCE

IT Support Assistant — May 2025 – Present
Alpha Trading, Colombo

- Troubleshoot software, hardware and networking issues that affect day-to-day business operations.
- Prepare invoices, quotations and proforma invoices, and verify delivery orders, GRNs and import documents with logistics and warehouse teams.
- Handle client billing inquiries and resolve invoice discrepancies.

Transport Assistant — September 2024 – April 2025
SITREK Group, Colombo

- Managed driver payments and supported daily transport operations using Excel and a Transport Management System (TMS).
- Coordinated communication between drivers, management and clients.

EDUCATION

Higher National Diploma (HND) in Software Engineering (In Progress) — 2024 – Present
ICBT Campus

GCE Advanced Level (Biology, Physics, Chemistry) — 2020 – 2022
St. Benedict's College, Colombo 13

GCE Ordinary Level — 2019
Christ King College, Wattala
